Q1 How do you think we should elect the President: should it be the candidate who gets the most votes in all 50 states, or the current electoral college system? If you think it should be the candidate who gets the most votes in all 50 states, press 1. If you think it should be the current electoral college system, press 2.

Q2 Do you prefer a system where the candidate who gets the most votes in all 50 states on a nationwide basis is elected President, or one like the one used in Nebraska and Maine where electoral voters are dispensed by Congressional district, or one in which all of the state's electoral votes would be given to the statewide winner? If you think it should be the candidate who gets the most votes in all 50 states, press 1. If you think electoral voters should be dispensed by Congressional district, press 2. If you think all electoral votes should be given to the statewide winner, press 3. *Candidate who gets the most votes in all 50*
